

ANIMATION GUILD  
2011-2012 CSATTF SKILLS TRAINING  
GRANT APPLICATION  
fxphd

---

These forms are to be used to apply for grants to take the indicated fxphd classes only. This grant is only for classes that begin between February 1, 2012 and January 31, 2013. Other grants are available for members to be reimbursed for classes at **Animation Mentor**, **LA Valley College IDEAS Workshop**, and **Studio Arts**. These grants are not available for any other schools or courses.

These grants are for partial reimbursement of term fees. You will have to pay fxphd the full term fee in advance\*, and then you will be reimbursed by CSATTF upon successful completion. Thus:

1. Before you complete and submit these forms, visit the fxphd website to research which class fits your needs. Class descriptions are available.

<http://www.fxphd.com/>

2. Fill out the attached forms. The entire application must be completed and submitted. Ignore all references on the forms to the "IATSE Basic Agreement" or the "online roster". You will have to show proof of thirty days' employment in the last two years at an employer signed either to a TAG collective bargaining agreement or an IATSE collective bargaining agreement under TAG's jurisdiction. Non-union employment does not count. Your application will expire if the class is not taken within ninety days of its approval, so please do not apply for more classes than you can reasonably expect to take in that period. Submit all completed forms to:

**CSATTF Reimbursement Policy:**

This program, which is administered by Contract Services Administration Training Trust Fund (the "Fund") on behalf of your employers, has been created to provide reimbursements to you (or payments to vendors) for certain eligible training expenses that you incur in connection with your employment. This program is an accountable plan as provided in Internal Revenue Code Section 62(a) (2) (A) and the Treasury Regulations promulgated there under. To ensure that you (or the vendors providing you with training) receive prompt reimbursement for your eligible employment related expenses, you must meet several requirements.

You will need to provide the Fund with substantiation or proof that you, in fact, incurred the expenses for which you are receiving reimbursement (or for which the Fund is making payments to vendors). This substantiation must be submitted to the Fund within a reasonable time after the expense is incurred. For example, if you submit your substantiation within 45 days of incurring the expense or of completion of the training, whichever is later, that will be considered to be a reasonable time.

You will also need to return to the Fund any excess reimbursement that is made to you. In other words, if you discover that the Fund has paid you too much as a reimbursement, you must return the excess to the Fund within a reasonable time after you discover this error. If you have any questions, please call the Fund at 818.847.0040, extension 1260 and we will be happy to assist you.

**Request for Reimbursement Form:** Please allow 2 to 4 weeks for processing your reimbursement request.

Please submit one completed "**Request for Reimbursement Form**" per course and return it with the following items:

- A signed Certificate of Completion issued by the vendor, that includes the course description and vendor's name or submit a letter from the vendor indicating successful course completion.
- Proof of Payment: Either a copy of the applicant's original credit card receipt/credit card statement, a copy of the front & back of the canceled check or additional information if requested. Note: Receipts for cash payments are not eligible for reimbursement.
- A copy of the vendor invoice or a copy of the attendance record.
