Wondering about an employer you don't see listed? Give us a call at (818) 845-7500. We encourage anyone working for a non-Guild animation company to contact the Guild office to sign a representation card. A representation card will show us that you wish to have The Animation Guild serve as your collective bargaining representative in signing a Guild contract. At no time will the employer be notified that you have signed this card. When sufficient representation cards have been received, The Animation Guild will start proceedings to sign your employer to a Guild contract.
