Re: **"Bundled" Subscription Consumer Pay Platforms**

Dear Steve:

During the negotiations for the 2021 Agreement between Producer and The Animation Guild and Affiliated Optical Electronic and Graphic Arts, Local #839, the parties discussed the difficulty of determining the number of subscribers in the United States and Canada whose subscription includes a video-on-demand platform for which a High Budget SVOD Program is made and other services, such as gaming, music, or free shipping, (*e.g.*, Amazon Prime). Ultimately, the parties reached agreement on the number of subscribers in the United States and Canada that certain of those platforms (*i.e.*, Amazon Prime) will be considered to have for the term of the 2021 Agreement between Producer and The Animation Guild and Affiliated Optical Electronic and Graphic Arts, Local #839.

Should an issue arise during the term of the 2021 Agreement between Producer and The Animation Guild and Affiliated Optical Electronic and Graphic Arts, Local #839 as to the number of subscribers in the United States and Canada to a subscription consumer pay new media platform in these circumstances, the parties agree that any resolution reached between the IATSE and the AMPTP shall also apply to 2021 Agreement between Producer and The Animation Guild and Affiliated Optical Electronic and Graphic Arts, Local #839.

Please signify your concurrence with the foregoing by executing this letter in the space reserved for your signature and returning same to me.

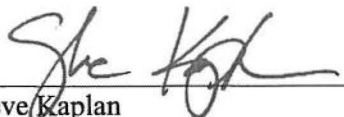

Sincerely,

Carol A. Lombardini
