This Memorandum of Agreement reflects the complete understanding reached between the parties. This Memorandum of Agreement is not contract language, except where the context indicates otherwise. As soon as practicable, this Memorandum of Agreement will be reduced to formal contract language.

All provisions of the 2018 collective bargaining agreement between these parties (hereinafter collectively referred to as "the Agreement") shall remain the same unless otherwise specifically changed as noted herein. The provisions herein shall be effective upon ratification of the Agreement unless a contract date is specified, in which case such provision shall be effective as of the date so specified.

In consideration of the mutual agreements herein contained, the parties hereto agree as follows:

The term of the Agreement shall be for three (3) years, commencing on October 31, 2021, and continuing to and including November 2, 2024.

3. Effective October 29, 2023 -November 2, 2024: three percent (3%)

Upon ratification of the Agreement, any applicable minimum contract wage increase shall be retroactive to the commencement date of the Agreement.

3. Benefit Contributions

The Employer shall make contributions to the Motion Picture Industry Pension and Health Plans, Retiree Health Plan, and the Individual Account Plan as provided for in the current IATSE Basic Agreement (including Article XII, Article XIII, Article XIII A, and Article XXXIV(d)). - c. Effective October 29, 2023, increase contributions by forty cents (\$0.40)

4. Article 26. Loan-Outs

Add a new Article (Article 26.) to the Agreement (see below), based on the corresponding Loan-Out provision in the 2021 Local 839-AMPTP Master Agreement.

Article 26. Loan-Outs

The Employer may utilize the services of an employee on a loan-out basis for work covered by this Agreement under the following conditions:

- A. All provisions of the collective bargaining agreement shall be fully applicable.
- B. Employer shall provide at least the minimum compensation and conditions under this Agreement to the loan-out company but shall not be responsible for payment by the loan-out company to its employee.
- C. Any claims or disputes between the employee on loan-out and the Employer regarding salaries or terms and conditions of employment that would be covered by the grievance and arbitration provisions of this Agreement if the employee had been hired directly by the Employer shall be subject to such grievance and arbitration provisions with the right of The Animation Guild to file grievances on behalf of an employee on loan-out.
- D. With respect to pension and health and contract services administration, during such time as an employee is engaged by a borrowing Employer through the employee's loan-out company, the borrowing Employer shall make pension and health and CSATF contributions directly to the Motion Picture Industry Health Plan and the Motion Picture Industry Pension Plan on behalf of the employee so employed based upon hours worked or guaranteed, whichever is greater. Contributions may not be made by loan-out companies.

"Loan-out company" for purposes of this Article is defined as a company controlled

by the loaned-out employee, who is the only employee of the loan-out company who performs work covered by this Agreement.

5. Article 6. Holidays

Add Martin Luther King Jr. Day to Article 6. The below is to be added following the first paragraph in Article 6 of the Agreement as noted below.

Every employee shall receive straight-time pay for each un-worked holiday; double time shall be paid for all work done on said holidays.

Add the following (see parentheses) to the below related unworked holiday provision.

For holidays not worked, 3.719% of the employee's annual straight-time earnings (4% effective January 1, 2023) shall be payable upon request of the employee after March 15 in the calendar year subsequent to the calendar year in which such earnings are accumulated. The total amount of salary paid in the period of a calendar year hereunder for recognized holidays not worked shall be offset against an amount equal to 3.719% (4% effective January 1, 2023) of such employee's accumulated earnings within the same period. The employee shall be paid the amount by which such 3.719% (4% effective January 1, 2023) computation exceeds the amount of holiday pay such employee has received for such period.

6. Article 27. Labor-Management Cooperative Committee

Add a new Article (Article 27.) to the Agreement (see below) based on the corresponding Labor-Management Cooperative Committee provision from the 2021 Local 839-AMPTP Master Agreement.

The meetings shall take place at least twice per year at mutually agreed-upon dates and times. At the time of its request for a meeting, the Union will provide the Employer with a written agenda of the proposed topic(s) for the meeting. The Employer and the Union must mutually agree upon the agenda prior to the meeting.

7. Remote Work Outside of Los Angeles Studio During Pandemic

Thus, the graduated reduction of workweek hours from forty (40) straight-time hours, plus five (5) hours of pre-approved overtime per week to forty (40) straight-time hours per week, will not result in any loss of pay on a weekly basis contingent upon the employee working any five (5) workdays out of seven (7) consecutive days, for each week of employment with a minimum total of forty (40) straight-time hours, plus two (2) hours of pre-approved overtime per week in Year Two of the Agreement and forty (40) straight-time hours commencing in Year Three of the Agreement (i.e., October 29, 2023), excluding floating days, vacation and designated holidays which shall be based on Employer policy.

9. On-Call Hours

Modify Article 5.B of the Agreement as follows:

If an employee employed pursuant to this paragraph shall be required to work a sixth (6th) or seventh (7th) workday as defined in this Agreement, then she/he shall be paid one and one-half (1- ½) times one-fifth (1/5) of the employee's weekly rate for each day so worked. Such employee(s) shall receive sixty-five (65) hours of contributions for pension and health benefits for a five (5) day work week; for the 6th day worked, the employee shall receive 12 hours of benefit contributions, and the employee shall receive 12 hours benefit contributions for the 7th day worked.

10. Article 25. Productions Made for New Media

Update Article 25 of the Agreement as follows:

Made for New Media provisions agreed to by the parties regarding Made for New Media Productions and Sideletter N to the 2021 Master Agreement between IATSE and Local 839 (Animation Guild) and the Alliance of Motion Pictures and Television Producers are deemed to be incorporated into Article 25 of the Agreement.

Re: Remote Work Outside of Los Angeles Studio During Pandemic

Dear Michael;

During negotiations for the 2021 TSL Animation Agreement (the "Agreement"), the Animation Guild, Local #839 (the "Union"), and TSL (the "Employer") discussed the disruptions to traditional modes of work in the animation industry caused by the COVID-19 pandemic. In particular, the parties acknowledged that the Employer had assigned many employees to work remotely during the pandemic in the interest of the employees' health and safety. In addition, the parties discussed various personal circumstances that led employees who had been hired in Los Angeles County and had been working in Los Angeles County to decide to relocate outside of Los Angeles County and continue working for the Employer while permitted to work remotely during the pandemic and approved the employee to do so at a specified location in the United States (but outside of Los Angeles County).

In recognition of the foregoing circumstances, the parties agree to the following concerning the employment of individuals outside of Los Angeles County:

1. Under current practice, the Employer may hire an employee in Los Angeles under the Agreement to perform temporary services outside the Los Angeles area in connection with a production. The employee continues to be covered by the Agreement for the duration of the employee's employment on the production. The parties confirm that the current practice may continue.
2. Notwithstanding Paragraph 5 below, effective October 31, 2022, and subject to Paragraphs 2.d. and e. below:
 - a. Employer agrees to cover an employee under the Agreement for the duration of the employee's employment on a production (or in the case of a series, the duration of the employee's employment on a season of the series) in the following circumstances:
 - i. (1) The employee had been working for the Producer under the Agreement at the Producer's offices in Los Angeles County before March 2020 (i.e., before the inception of the pandemic in Los Angeles County), and the Producer, for COVID-related reasons, subsequently allowed the employee to work remotely during the pandemic; or

(2) The employee was hired by the Producer in Los Angeles County on or after March 2020 (during the pandemic), and the Producer, for COVID-related reasons, allowed the employee to work remotely during the pandemic;
 - ii. The employee's employment is on a Los Angeles-based production;
 - iii. The Producer allowed the employee to work remotely at a specified location in the United States (but outside Los Angeles County) under the coverage of the Agreement at

some point during the period of March 2020 (i.e., the inception of the pandemic in Los Angeles County) to July 10, 2022;

- iv. The employee continues to work under the coverage of the Agreement at that approved specified location; and
 - v. The Producer does not require the employee to return to the Producer's offices for the remainder of the employee's employment on the production or for the production season in the case of a series.¹
- b. In addition, from October 31, 2022, through November 2, 2024, Employer agrees to continue to cover under the Agreement, an employee who meets the conditions set forth in Paragraph 2.a. above when the employee is "continuously employed" by the Employer on a subsequent production for the duration of the production. "Continuously employed" for purposes of this provision means subsequent employment with the Employer within 110 days of the prior employment.
 - c. In the circumstances set forth in Paragraphs 2.a. and 2.b. above, the Employer is not required to travel the employee to Los Angeles County for contributions made on behalf of the employee to be accepted by the Motion Picture Industry Pension and Health Plans.
 - d. The Directors of the Motion Picture Industry Pension and Health Plans adopt a resolution approving contributions made on behalf of an employee under the circumstances described in this Paragraph 2. The provisions of this Paragraph 2 shall not be effective until the foregoing resolution has been adopted.
 - e. The provisions of Paragraphs 2.a. and 2.b. shall automatically terminate on November 2, 2024, and, except as provided in the next sentence, shall have no force or effect thereafter. However, any employee hired to render services on a production under the provisions of Paragraph 2.a., or hired before November 2, 2024, to render services on a subsequent production or production season under the provisions of Paragraph 2.b., shall be covered by the Agreement for the duration of the employee's employment on that production (or production season in the case of a series under Paragraph 2.b.), including any period of employment that occurs after November 2, 2024.
- 3. The foregoing does not supersede the MPI Travel Waiver program.
 - 4. The bargaining parties agree to seek confirmation from the MPI Plans that the foregoing is consistent with the Trust Agreement. Should any of the Trust Agreements need to be amended to effectuate the foregoing provisions, the parties agree to recommend to the MPI Directors that an amendment(s) to the Trust Agreement be adopted as soon as practicable. In that event, none of the foregoing provisions shall become effective until the necessary amendment(s) to the Trust Agreement(s) is (are) adopted by the Plans.
 - 5. In addition to Paragraph 2 above, the bargaining parties affirm the right of the Employer to decide, in its sole discretion, whether to allow an employee covered by the Agreement to work outside of Los Angeles County as well as the right of the Employer to require an employee who had previously been allowed to work outside of Los Angeles County during the pandemic to return to the

¹ For clarification, the provisions of Paragraph 2.a. above also apply to an employee whom the Producer employed in Los Angeles County and, during the period on or after March 20, 2020 to July 10, 2022, allowed to work remotely outside Los Angeles County (but within the United States) for family or medical-related reasons during the pandemic.

workplace in Los Angeles County.

Without restricting the rights of the Employer, the Employer shall give good faith consideration to the employee's circumstances when making the decision as to whether an employee shall be permitted to work under the Agreement outside of Los Angeles County or shall be required to return to the workplace in Los Angeles County after working outside Los Angeles County during the pandemic. If the Employer determines the employee will work in Los Angeles County or requires the employee to return to the workplace in Los Angeles County after working outside Los Angeles County during the pandemic, the Union may request a meeting with the Employer to further discuss the employee's circumstances, and the parties shall meet promptly thereafter. The Employer's decision following such discussions shall not be subject to grievance and arbitration.

6. Further, the bargaining parties agree that any employee covered by Paragraphs 1 or 2 above or covered by the MPI Travel Waiver program shall be treated as if the employee were employed in California for purposes of application of Article 7, Section A of the Agreement.

Please signify your concurrence with the foregoing by executing this letter in the space reserved for your signature and returning same to me.

Sincerely,

Robert W. Johnson
