- D. With respect to pension and health and contract services administration, during such time as an employee is engaged by a borrowing Employer through the employee's loan-out company, the borrowing Employer shall make pension and health and CSATF contributions directly to the Motion Picture Industry Health Plan and the Motion Picture Industry Pension Plan on behalf of the employee so employed based upon hours worked or guaranteed, whichever is greater. Contributions may not be made by loan-out companies.

"Loan-out company" for purposes of this Article is defined as a company controlled

by the loaned-out employee, who is the only employee of the loan-out company who performs work covered by this Agreement.

5. Article 6. Holidays

Add Martin Luther King Jr. Day to Article 6. The below is to be added following the first paragraph in Article 6 of the Agreement as noted below.

Add the following (see parentheses) to the below related unworked holiday provision.

For holidays not worked, 3.719% of the employee's annual straight-time earnings (4% effective January 1, 2023) shall be payable upon request of the employee after March 15 in the calendar year subsequent to the calendar year in which such earnings are accumulated. The total amount of salary paid in the period of a calendar year hereunder for recognized holidays not worked shall be offset against an amount equal to 3.719% (4% effective January 1, 2023) of such employee's accumulated earnings within the same period. The employee shall be paid the amount by which such 3.719% (4% effective January 1, 2023) computation exceeds the amount of holiday pay such employee has received for such period.

6. Article 27. Labor-Management Cooperative Committee

Add a new Article (Article 27.) to the Agreement (see below) based on the corresponding Labor-Management Cooperative Committee provision from the 2021 Local 839-AMPTP Master Agreement.

At the time of its request for a meeting, the Union will provide the Employer with a written agenda of the proposed topic(s) for the meeting. Thus, the graduated reduction of workweek hours from forty (40) straight-time hours, plus five (5) hours of pre-approved overtime per week to forty (40) straight-time hours per week, will not result in any loss of pay on a weekly basis contingent upon the employee working any five (5) workdays out of seven (7) consecutive days, for each week of employment with a minimum total of forty (40) straight-time hours, plus two (2) hours of pre-approved overtime per week in Year Two of the Agreement and forty (40) straight-time hours commencing in Year Three of the Agreement (i.e., October 29, 2023), excluding floating days, vacation and designated holidays which shall be based on Employer policy.

- a. *Year One: Effective October 31, 2021, maintain a forty-five (45) hour workweek consisting of forty (40) straight-time hours per week, plus five (5) hours of weekly pre-approved overtime.*

Such employee(s) shall receive sixty-five (65) hours of contributions for pension and health benefits for a five (5) day work week; for the 6th day worked, the employee shall receive 12 hours of benefit contributions, and the employee shall receive 12 hours benefit contributions for the 7th day worked.
